

# Summer Domestic Mission Trip

Investing in sustainable short term missions is our goal when exposing students to mission's experiences outside of their city. This year we partner with Passport Missions as we go to Greenville, SC to invest in that community.

WHEN: July 8-13

COST: \$475 per person (scholarship available)

LODGING: Furman University

**Join us for a week that will change you from the worship, mission work, other students you meet, small group time, and so much more!**
